

# ABE SNYDER MEMORIAL SCHOLARSHIP

Professional Insurance Wholesalers Association of New York is pleased to honor Abe Snyder through the *Abe Snyder Memorial Scholarship*.

Abe was a dedicated member and past president of PIWA, and a staunch supporter of PIWA's mission and its members. He encouraged the youth of today to pursue educational opportunities that would enable them to become successful leaders in the insurance field.

His scholarship promotes these same values. Recipients participate in an accredited, college-level risk management/insurance program

and have demonstrated a history of academic achievement, community involvement and leadership.
